

HQBC SCHOLARSHIP REQUIREMENTS FOR SUMMER PROGRAMMING

The Huskie Quarterback Club (HQBC) Board recognizes that playing high school football can be cost prohibitive for some players / families. It is the goal of the HQBC Board, Coaching Staff and the Douglas County Athletic Department to have all student athletes participate in summer programming. To assist with all athletes' ability to participate, the HQBC will offer scholarships to assist with this goal. The HQBC will pay the **\$300 SPEED CAMP** fee for those who qualify. The following are the requirements to apply for a scholarship:

1. Must be currently enrolled or were enrolled during the 2017-2018 school year in the school district free or reduced lunch program.
2. Must be willing to allow the HQBC Treasurer to verify through the Athletic Director's Secretary that said player qualifies for the free or reduced lunch program.
3. Complete a Scholarship Application Form and submit it to the HQBC Treasurer via email at treasurer@huskiequarterbackclub.com
4. Applications for this scholarship must be received by the HQBC Treasurer by **May 14, 2018**.

The HQBC Board Treasurer will review all applications submitted with the HQBC Board President and Head Coach for eligibility. Once these are reviewed for eligibility the applicant will be notified of the awarded scholarship at the earliest time possible.

** There are a limited number of scholarships and they will be awarded on a first come first served basis upon qualification verification **
